I am in a bucket of tears. This is a big shock. Marci was such a lovely girl growing up in our ward. I loved hearing about all your fun mom and daughter trips. You saw the world together, and together you meant the world to each other. I loved reading about her many accomplishments. She was a go-getter. I can see she wasted no time on earth. May blessings come your way with comfort and Heaven's love. We are praying for you.

- Klint and Rosanne Day

Jonathan, we are sadden and shocked about Marcy's passing. You were our best friends for many years. Our daughters (your babysitters) kept up with your family through social media and always shared the growth of your children with us. This news was difficult for us to learn. Our love continues for you and your family and you always have our support.

- Cory and Claire

I'm so sorry to hear this news! Alexa was my best friend growing up — her and her family have always had a place in my heart. I have memories of Marcy taking care of us and telling us to NOT eat the flavored chapsticks she bought us. My heart goes out to Alexa and the family! ♥■

- Caitlin Saunders

Such a terrible loss! Our family sends love and prayers to the Adam's as well as Marcy's parents Lee and Marilyn Hancock. With love for all!

- ReNae Shingleton Johnson

I cannot imagine the pain and heartache you're feeling. I am praying for your peace and comfort.

- Debbie Peck

I am so sorry about your cute wife. I can't imagine the suffering you are enduring along with your children because you are such a caring person. I am sorry I cannot attend Her remembrance as I am not allowed to drive because of injuries from an accident I am doing better every day, so don't even think about me. Take care of those beautiful kids and take care of yourself.

- Jane Lindsay

I do not have words to express my sorrow for your loss. Marcy was one in a million. She came to my aide anytime I needed her. She was such a support and friend to me. She used to say "Corbi, you'll have to keep reaching out to

me. You know I'm not good about reaching out myself. Marcy has such a special place in my heart ♥️. I find myself longing for her just for one more hug. But she is with her grandma right now enjoying the reunion. How sweet it must be. I pray that you are all able to heal and enjoy her legacy.

- Corbi Van Wagoner

I ran in to Corby today and she told me about your daughter. So very sorry for your loss. Prayers and thoughts are with you and your wife.
