Mike, Dawn and Terry, We are so sad to learn the your sweet mother has passed on. She was such a strong woman, with a wonderful personality. We really enjoyed our visit with her at the time of your dad's passing. Best neighbors ever!!! Love the picture of her when she was young. Looks like a high school picture. Beautiful!!!! Lots of memories. We send our love, Frank and Luella

Although I didn't know Margaret personally, my friend Jim Walters always spoke so highly of her and how special she was. My sincere condolences to the family. Michael and Sheri O'Hair.

Ann was an amazing woman! She will be severely missed. I only got to see her a couple times but we talked on the phone more. She was always good to my dad, Jim, always lending her ears and her heart to him. May she Rest In Peace, and we will see you again soon!

Mike, Dawn, and Terri, it was sad to hear that your mother had passed away. I have many good memories from time spent in your home over the years. Your mother had a lot of patience along with a perfect combination of sweetness and sarcasm in dealing with a bunch of teenagers and your dad. There was also lots of good food, your mother made some wonderful meals. She was a good influence in my life, something I will always appreciate. Condolences and God bless.
