Darlene was such a part of my life since I was four years old.. Darlene is someone we all should aspire to be. Her love and compassion for her husband, her children and all her grandchildren. She was always there even if we were not her kids. She was truly a second mom to a lot of us neighbor kids. The Timothy family are amazing people and it's because of the unconditional love Darlene had for all those around her. Thank you Darlene for being the best mom anyone could ask for. Thank you for your love.

Some people are such a blessing to know. They'll always be remembered with gentle smiles and happy feelings in the hearts of all who know and love them. Our family has fond remembrances of Sister Timothy. We've known her best as the kids' Primary teacher. Having lived in the Kearns 7th Ward since 1977, we've had many years to know and spend time with Sister Timothy (and family). We consider ourselves lucky to have had opportunities to see what a great woman she was. We will never forget the warmth of her smile and the wonderful things she made and gave to her Primary classes. May the memories of her wonderful personality and many contributions be celebrated by all. Our thoughts and prayers are with you all. We hope your happy memories bring peace and comfort throughout this time of sorrow. With our deepest sympathies, Cheryl, Terry, Alyssa and Addison Redding
