The best MIL ever! I have so many fond memories of her, so glad to be apart of her life and family. Best decision ever, love this family. I know she's looking at us and smiling so I want to say to her as she said to me when my mom passed, ATTA girl! Sure gonna miss you mama , love you so much til we meet again on the other side. Love Rebecca your daughter in law

Margo was my person. From the time she and Gordon spent in Texas to our visits with mom and lots of phone conversations. She was positive, pragmatic —and we shared a love of her “dogs”. Ceramic tho they are. Happy for her that is with her peer group...no longer the last one left.

So sorry to hear that you have lost your dear mother, and grandmother. Margaret was a doer, and a good friend to my husband Douglas and I. I remember that for some years while she was a Relief Society co-ordinator for Visiting Teaching, she would bake sweet bread for every Visiting Teacher in our Ward, and deliver it to our door. She was in our Garden Park Ward study group, and went out of her way to have meaningful meetings at her home. I actually dreamed of she and her sister, Lillian two nights ago. So with all but three of that group of about thirty still living, they re probably still holding meetings, but in a more heavenly space. God bless you all. Sincerely, Elaine Smith

We send our love and prayers to the family. Wish we could have been there with you today. Your Mother set a great example of enduring faithfully to the end. We were touched by the service your family gave her to the end. May you be comforted .
