Suzzie. Dennis. Patti and Lisa... So sorry to hear of your mom's passing... She was always one of my favorite aunts. I spent more time with you guys then any of the other cousins... Your mom was always a classy lady who made need feel at home... I have an enduring faith that this life isn't the end, and she has merely passed through a door and is waiting on the other side... May God bless all of you. Cousin Steve

Very sorry to see of the passing of my favorite aunt. So happy I got to see her one last time at my mother's funeral - and you, too, Suzzi! Aunt Moggy will always be in my heart.
