Sweet Margaret, you will be missed. I will always remember your laughter. You were always a great example to everyone around you and always lending a helpful hand.

Margaret has been my dear friend since kindergarten. She loved to tease me. A few years ago she said I was a friend she could ask questions to. I loved her questions. Always a surprise when I got an email from Margaret. I'll miss your questions and even more, I'll miss you!!

Margaret and I grew up together from primary, through elementary, and all through high school. She was always so happy and positive with such a bubbly personality. We lost touch after I moved away, but I’m lucky I was able to visit her last summer and reconnect. Her sweet spirit will be missed. I know she’s free of worldly pains and is dancing in heaven with her parents and loved ones. Twirl on Margaret.

Margaret and I played in orchestra and sang in choir together. She was my roommate when we went to Hawaii for choir. Since high school, she has been the one who could tell me what was going on with all of my former classmates and she would always surprise me with how much she remembered from high school. She kept us all together, volunteering for reunions and keeping all those connections Maybe she did want to hike to Ensign Peak! Now she is free to hike anywhere she wants and the rest of us will have to learn to keep in touch on our own.

Marlene,I am so sorry to hear about Margaret passing. She was a great friend very helpful. I will never forget all the singles activities and dance we went to together. I think the most fun was having you both help me with my costume for the Wizard of Oz. Any times we spent together were some of the best times. She was a sweetheart ■. She will be deeply missed

Margaret was always telling me how much she loved her family, while she cared for my Grandma Brandt. I know she is happy to free of this mortal world behind and reconnect with family and friends in the celestial world. My sincere condolences to Marlene and other family on the loss of her beautiful spirit.

Our condolences to Margaret's sister, Marlene, family, and friends. Margaret liked music and singing. She used to come and sing Sacred Harp shape note hymns at the Utah Sacred Harp singings. She always had a smile and was happy to share music with people. She is probably singing in the heavenly choruses.
