

Margaret Louise Dropek

March 27, 1922 ~ December 26, 2021

Sending my condolences to the Dropek family. Marge was an exceptional cook and baker. She will be missed.

- Dubach Sue

My prayers go out to your family at this time of loss. You were someone who I totally admired as I was growing up no matter how often you told me to spit out my gum or to be quiet while we were sitting in the balcony. As i became a Leader in my church I often used some of your tricks to keep children in line (like sitting in between them so they couldn’t talk to one another during the service). You will always be remembered.
