Oh how deeply painful it is to lose you Maria. It is hard to accept that you are no longer physically here. You will forever be missed. While happy that your sufferring has ended, im saddened by the grief of your passing because there will never truly be anobody else like you. You were true to yourself No matter what and no matter what anybody had as an opinion. You were a beautiful firecracker. I love you prima (cousin). Forever and Always May You Rest In Peace!!

I am so deeply sorry for your loss. Maria was beautiful and full of life. She loved her grandchildren here in Utah. They now have a guardian angel.
