

Maria Victoria Chiapparino Abrea

February 24, 1939 ~ October 29, 2025

President Angel Abrea and his wife, Mary, were the awesome leaders who pointed clearly the path to follow. I will always be thankful for the time they both dedicated to guide and strengthen my faith and testimony in my youth as a recent convert. My condolences to the family.

Dear Abrea family, please accept my condolences for the passing of sweet sister Abrea. I always remember her as the most beautiful, strong, and sweet person. I feel honored for having share with her a special time in my life. I will keep her on my heart forever. Love and hugs to Patricia, Claudia and Cynthia and their families.

In January 1997 Elder Abrea was the visiting authority for our Stake Conference in St. Johns Arizona and stayed in our home. He was so kind to spend significant time in our home with our six children and he told stories about his supportive wife and his beautiful daughters. We are grateful for their example.

My nephew, Darrell Smith served as a missionary under you and Elder Abrea. When we lived in Sheboygan's, Wisconsin, we were blessed to have an Elder Fraga, from Argentina and who knew and loved you and your husband, over to our home for dinner many times. Then when I worked in the Temple Department of the Church, Elder Abrea served as one of the Assistant Directors with his office in the department. I had the wonderful opportunity to work with Elder Abrea in connection with selection of Temple Presidents and counselors, and on once occasion I was blessed to realize how inspired he was in his calling, which was a great testimony and comfort to me over the years in my work in the Temple Department. I am sure your daughters and descendants have been greatly blessed by you and your husband. I pray the Lord's blessing will continue to bless them throughout their lives.
