October 25, 1938 ~ November 25, 2021

Leslie, My deepest sympathies to you and your family. I'm thinking of you and hugging you tight, my friend! Love, Michele

- Michele Morabito

We were neighbors of the wonderful Smith family in Phelan, CA for many years. You want to remember Marianne and recall your years together; you will regret that she is gone; but you must rejoice that she is at peace with the Lord in Heaven. Until we meet together.....Peace Marianne

Marianne was kind to us from the moment we met her. We were her neighbors at the end of Lake Mountain Road for the past two years. While she was reserved with us, she would go out of her way to serve and love us and was extraordinarily generous. Our three-week old daughter passed away in early May and Marianne donated a plot for her in the Angel Garden in the Eagle Mountain Cemetery. She did it anonymously, though found out through the grapevine of the City staff. Our daughter was also in the NICU before she passed which put an extraordinary burden on our family and Marianne and Uve stepped in and served us with meals and helping with our other children. She also came over shortly after our daughter's death and shared with me the story of her own son's loss and shared with me in my mother's grief. Marianne was simply selfless and always served. We should all be more like Marianne. I'm grateful we had the opportunity to have her in our life even for a short amount of time.
