So sorry, she a kind and beautiful woman, truly a big heart ♥■■ of gold, she loved talking I would just listen and just agree your father would just would just laugh, your Mom just had a very unique smile ■ I loved seeing her smile, the first Bible I ever bought was because of her, I'll never forget her, I just wish I could have said goodbye, just for some strange reason I guilt her I don't know why I just did, to you and your family my heart goes out to you all.
