My heart goes out to Marilyn's family on their loss. Not only was she a great person but she was also a very dear friend of mine whom I have known all my life. I will greatly miss her.

I am so sorry for Marilyn's family's loss. Marilyn and I were friends since we were little kids. We laughed and played together for many years. I will miss her. I hope thinking of Marilyn will bring some comfort to her family in the days to come. Beverly Branch

Chuck, Chris, and Margo, my heart and thoughts are with you all. Your mom was a part of our family. We loved her dearly. She would babysit us when we were younger and spent allot of time at our house before she married your dad. My grandparents welcomed her into their home and hearts before that. I would go long periods without talking to her and then we would call each other and the same love would be there every time. I hope your god memories will bring you some peace. Love you all, Margo Richards.

Marilyn will be sorely missed, she was part of what we called The Sego Girls. I was blessed to be part of this group. Unfortunately, I recently moved to Oregon and haven't been able to attend some gatherings. Please know how special and fun her relationship was with us and we look forward to the day we meet again in God's grace. Prayers

sent for peace for the entire family. ■

Dear Chuck, Chris, and Margo Elease and family, Our hearts go out to you in your grievous loss of your dear mother. My grandmother Elease Cook adored your father Don, him being the only nephew of her many adorable nieces. She would have loved your mother and all of you. Wishing you healing in the days and months ahead as you grieve her loss. We remember the fun time we had with your parents when they came out to visit my sister‘s home in Redwood City, California. No time on earth is long enough to share with those we love or to prepare our hearts for goodbye. Our sympathy and warmest thoughts are with you now.May you find comfort in knowing others care. Sending our deepest sympathy, Robin, Robert, Robert III, William, and Elease (Ayala) Peterson Your California cousins

The last time I saw Marilyn was at Irma’s memorial. We spent time together getting caught up on the family. Linda Lund called me about Marilyn. That was yesterday. I would of liked to attend her memorial. I send my heartfelt condolences to the family.

Marilyn I can't believe it has been over 3 months. There isn't a day that goes by that I don't think about you. I miss our phones calls and Olive Garden lunches. The holiday season is around the corner. You were the only one I could call spur of the moment and be ready to hit the mall. You were the best sister I could ever have hoped for. Nancy
