Aunt Marilyn always was always a so kind and warm with me. She made me feel loved and special and it made a true difference in my life! As I think back on my childhood, I truly remember feeling that there was a empowering bubble of love, virtue, intelligence and strength when the matriarchs of our family (Grandma, aunt Jan, aunt Marilyn, aunt Velora and my mom) were together for our gatherings whether indoors or out. I remember many activities at the Nordberg's house and I think one of Marilyn's sibling's house in Bountiful who had a swimming pool! She orchestrated all of it, and I always loved being there! There was nothing better than knowing Jerry and Marilyn had summer plans to visit Salt Lake! I love you all!
