

Marilyn Mower

February 10, 1937 ~ April 15, 2026

I just heard of Marilyn’s passing. I am so sorry she was a great lady, neighbor, and coworker and friend. My condolences to each of you boys. I don’t know if Dick is still here or not. Many blessings to you at this time of your grief. Love, Diane, Armour.

I picked up the newspaper today, which I rarely do, and looked through the obituaries. I read the name Marilyn Mower and thought it looked faintly familiar. When I looked at her picture, I thought to myself, ‘She belongs in Butler.’ And sure enough, she did. I only attended Butler from 2nd to 4th grade and don’t remember her well, but she must have been important to me, because I instantly recognized her from her photo and felt my Butler days come back to me. Some people leave a mark in ways we don’t fully realize or even remember; she was clearly one of them, bringing back warm and happy memories.

I just saw that Marilyn had passed away. She was a wonderful lady. She was my husband's secretary at Butler Elementary. His name, Dan Anderson. She had to be a good person to put up with him and keep him on the straight and narrow. She called him "the Old Poop." She was a fun person to know and always kind and generous. It is nice she is with her sweetheart again. My condolences to her family.
