Hi, Janis, I remember when the two of us would talk about our moms and how much we loved them. Please know that my thoughts and prayers are with you at this time. May your happy memories bring you comfort at this time of grief. Hugs and my love to you. Thank you for all the wonderful work you did for me. I was always inspired by your dedication, expertise and dependability. I hope our paths will cross again someday. Warm regards, Carolyn Campbell

We will miss her so very much! She was a friend and mother to me! I know how happy she is to be with her loved ones who she's waited so long to be with! Love to all her family! Jo Ann Washenko
