Sending my best to the family! I have such fond memories of Marion and Zane growing up. They were always so sweet and loving to me and our family. Marion will be dearly missed. Much love, Janae

So sorry to see aunt Marion passing away. We would have loved to come to the viewing but with Tay being her immune system being low due her kidney transplant we haven't been going anywhere due to COVID. Our thoughts, prayers and love are with you. Love. Richard & Tay

We will miss our wonderful neighbor Marion. Her journey is now complete to be with Zane and Robin. We enjoyed spending time with her and listening to the wonderful stories about her life. Marion is a very charming lady. We are very blessed to be called her friend. Love Jim and Norma

Dear Vicky, Alan, and family. We are deeply saddened by the passing of dear Marion. We are sure that she rejoiced as she was greeted by husband Zane and daughter Robin. She suffered greatly during her last years of life and Karma and Don talk often about the relief of leaving all bodily pains behind. We love Marion and have always thought of her as being part of our family. We love you and all of your/our family. We would have wanted to attend

the funeral service but Alan said that only the immediate family was to attend, and because of our old age and covid19, we should not attend. We love you all.
