

Marion Rose Spratt Palmer

September 16, 1924 ~ March 10, 2021

Gayle, I’m so sorry. Loosing your mom is one of the hardest things. I saw marion on fox13 news when they gave a donation to Friends for Sight. I’m thinking of you and your family. Hugs. Mary

Having moved fairly recently to Utah from North Carolina, i feel blessed to have met and come to know Marion. I got to know her as I substituted for one of our Bridge and Pinochle Club members occasionally. I came to care deeply for her as so many others obviously did. I send blessings to All who were blessed to know her, but most especially to her family who will miss that smile more than anyone. God Bless!

I am so heartbroken to hear of the passing of sweet Marion. I only met her a year ago when I moved next door. She was such a lovely, warm soul and was inspirational. I know she was loved by many and will be missed.

Gayle & Brent- Texas Street will not be the same without Marion! We are going to miss seeing Marion out on the street walking with her dog. And we are going to miss talking to her about sports, especially Highland High Sports where she was always interested in how our children were doing. Her example of service and kindness will live on with all those she was able to meet. She and Larry have left a legacy within this community and we are blessed to have them be a part of our lives. Our deepest sympathy to you and your family during this tender time. The Lords Family

Brent and Cindy, Gayle and Mark....I was so sorry to read of your beloved Mom’s passing. I had the privilege of knowing her for many years! My husband, Lee, belonged to the “Math” Club, which also became a great group of young couples having great parties! Much more could be added to her long list of service to help others. For many years she served on the board of The Women’s State Legislative Council . She did an incredible job of finding meeting rooms at the Capitol Building! I was truly blessed to have been her friend and fellow “Trouble Maker” Sincerely and with love. Ruby Hammel

We want to express our condolences to Marion's family. She was a wonderful lady.

I'm just seeing Marion's obituary now, but wanted to send my condolences to Gayle and family. I worked with Marion (and Gayle) at The Basket Loft for a few years and just loved her. She was a joy to be around and I adored her spunky personality. Marion made me laugh so hard and really taught me to not sweat the small stuff. She really is an inspiration that we can all make a difference by getting involved. Sending lots of love to the Palmer family.

I was saddened to learn of your mother’s death. My mother, Kay Klaveano, shared with me the experience of your mother taking her face in her hands and saying, “Kay, you are important to me. I want to to know that!” Your mother was a wonderful example of a friend. She was a remarkable lady. She remains in the hearts of many.

Sending much sympathy and love in the loss of your incredible mother. Marion was the steady ringleader for the Delta Gamma "Bridge Club," and we kids are the beneficiaries of all the problem-solving solutions for child raising, launching, and supporting arrived at over those table for more than 60 years. She was a down-to-earth straight shooter, a bastion of wisdom, loyal friend to many, and community servant extraordinaire. May her inspiring legacy live on forever...
