Marissa, you will be missed by our family. You were always so happy and fun to sit outside and have shots with. Then you would disappear and we would find you in bed asleep. Lol! Marissa's Family, sending prayers to help you during this difficult time. This is truly heartbreaking. Love, Julie & Michael

I'm so sorry for what you all are going thru. I wish I could be there. Condolences to you all from me and my family. My family was lucky to have met her years ago. As I read this I could picture her silliness and how she loved to perform for everyone. Also playing in the pool with the fam at her grandparents house.Great memories. It has been a while since I seen her but that's what I think of when I think of her. Beautiful, full of energy, love, and silliness. You are all in my thoughts and prayers. Love y'all. Xoxo

Marissa■ Such a beautiful and genuine soul, gone far too soon■. My heart and all of our thoughts and prayers are with all of you during this most difficult time. God promises us at Revelation 21:3 & 4 that there will come a time when there will be no more suffering and no more pain■. He promises that we will see our loved ones again■ (Acts 24:15). The Bible speaks of a time when death (God's Enemy) will be done away with for good■ (1 Corinthians 15:26). Oh how wonderful a time that will be■■❤■. But, in the meantime I pray that Jehovah God (Psalm 83:18) provide you all with the strength and courage to continue and that "the God of all comfort" (2 Corinthians 1:3) will give you "The Peace of God that surpasses all understanding" (Philippians 4:7) in the days, weeks, months and even years to come❤■. I'm so sorry that you are all going through this. Seek God for answers, for comfort and for promises of a future hope■. His word will provide you with the peace that you all need right now. We love each and every one of you so much!❤■. Love, Serenity and The entire Rodarte Family
