

## Mariya Yasuda Motoki

~

---

I met Mariya at the phone company in 1981. We became great friends for many years. We lived by each other and Mariya would drop off treats , her famous chocolate cupcakes with cream on the inside. She also made me rice paper eggs that hang on my Christmas tree every year. The last couple of years we were able to go to lunch on our birthdays, she will be missed.

I was pleased to have helped Mariya with computer issues for several years. I always looked forward to the home made cookies
