Marj has treated me like gold since the day Shauna brought me home to meet her 37 years ago. I couldn’t have hand picked a better mother in law and grandmother for my kids to be raised with, truly one of a kind…..

- Scott

My heartfelt condolences to you at this difficult time. Please remember that a life well lived doesn’t end any more than music ends for it echoes through time with whispers of beauty and grace. May you feel our Saviors love at Comfort at this difficult time. Sincerely, Dixie Taylor

May you be comforter in knowing the the parting of the spirit and the body is temporary, a definite loss for family left behind, but a continuance of life for the departed one. I was so sorry to hear about your mother’s passing. She really had a sweet caring spirit. I knew her in Legacy Retirement Center where I visited her several times. I remember how much she loved her family and talked about you with pride. So happy that she can be with her sweetheart again and pray that you might have comfort in knowing that she can still remain close to you in your heart and will always love you. She had a life well lived.
