Sorry for your loss. Marge was a good friend and neighbor to our family. She was always there to help my folks even after they moved from the neighborhood

We share your sorrow at the passing of your mother. Sharing that tribute about her shows what a special mother she was in all of your lives. Her memories will be your strengths forever. Our hearts will be with the family.

- Susan and John Aldous

Marge and Lloyd Peterson helped make great memories for our family and our neighborhood. We are thinking about you Lloyd. Peace and calm to you and your family.

- Lynn and Kerry Lehmann

What a wonderful and delightful person. Having had the privilege of being introduced to Marjorie a couple of years ago was a true joy. Her passing is such a shock, but there is comfort in knowing she is at peace. May the blessings of the Lord be with Lloyd and the entire Peterson Family at this time.
