

Mark Edwin Whiting

February 21, 1947 ~ June 21, 2025

I was so saddened to hear of Mark's passing, even though I know he is enjoying a marvelous reunion with his family. Mark was always so kind and helpful to me as I taught 5th grade with him at East Sandy Elementary. He was ever the gentleman, ever willing to share his skills and expertise. He will be greatly missed.

We will miss Mark. He was so friendly and willing to help anyone. He was one of the best examples of a great neighbor that I have ever known. He would welcome all new neighbors into the neighborhood by visiting them and letting them know where to find different establishments in the area. He was free with his time and made me feel special, as I'm sure he did with everyone. We love you Mark!

I have many wonderful memories of teaching with Mark at East Sandy Elementary. He gave me some good allergy recommendations too. I remember him fondly every Christmas when I "his" German Christmas carol!
