

Mark Paul Liston

January 21, 1982 ~ May 10, 2025

Reading about the life Mark created for himself takes me back to our days as kids, where I witnessed Mark exuding the same joy and enthusiasm for life and fun, that he clearly carried into adulthood. There was never a dull moment with Mark, and it's with a heavy heart that I give my condolences to the Liston family.

Our prayers are with Mark and his family at this time. Mark was a great client and friend. Also, everyone at Zions Bank sends their support. May the Lord strengthen you and give you comfort.

I got to know Mark in his childhood years working for Liston family. He was always super kind whenever we chatted. He had the best smiles & I loved that about him. Sending Prayers & Love to all of Liston Family

I was a friend of Mark’s while he lived in Florida. Rocky too ■ My condolences. Mark was a good man. He was more of a kid when I knew him well, and this hurts. I cannot imagine what his family and friends are going through right now. I’m so sorry.

I've worked with ML Dirt many a time, and Mark was always great to talk to. I regret that I didn't meet him in person and am saddened to hear of his passing.

I was privileged to have met Mark back in 2012 and work with him on many projects over the years. He was a great example of not being afraid to be your own boss and have your own company. Quality work was his primary focus and he will be missed by many. My condolences to his family and friends.
