*December 31, 1936 ~ June 10, 2025*

Marla and I had so much fun being Family History Consultants together in the Sandy Crescent View Ward. She was so strong and dedicated to the Gospel of Jesus Christ and the work she did in finding and preparing the names of her deceased ancestors and relatives so they could receive sacred ordinances in Holy Temples. She was such a dear lady, and will be greatly missed.

Marla really had a wonderful life and many wonderful experiences! I am so grateful for the 20 plus years she was my friend! She stood by my side and helped me get through many very difficult things! We had many wonderful laughs together! Such told me often how much she loved her children and grandchildren! Her love for Family History and the LORD! The service was wonderful and I am sure she loved it and had many laughs at the stories!

My deep condolences , I came to enjoy knowing your mother and talking with her. I feel that she has met her great grandson as families are eternal.
