

Marlaine Bean Peterson

November 30, 1938 ~ May 7, 2021

Marlaine will always be kept in my heart. She is the type of person that makes you feel loved and welcome the moment you meet. I will try to emulate her gracious attributes and peaceful demeanor. She was and always will be considered a dear friend and will be greatly missed. Till we meet again, we sure love you!

Marlaine is a celestial person. She was always so kind and welcoming to others. She is a great saint and citizen and friend. We wish our fondest love and condolences to Allan and the family!

Greetings Peterson family - my daughter Lindsey googled Marlaine's name. She was thinking about her favorite piano teacher I guess and we learned of sweet Marlaine's passing. Just wish to send you hugs and say how much we enjoyed Marlaine. She was a lovely woman and contributed so much to Redondo Ward while living in Torrance. She was also a terrific bishop's wife! Thinking of you all, Jill Adams and family
