

Marsha Lee Pickett Wright

November 13, 1955 ~ May 31, 2023

Whenever a Church meeting threatens to go overtime, I think of Marsha relating how your French ward always sang all the verses of the closing song no matter the time. Please know that Marsha and your family will always be fondly remembered by Ron and me. May you find comfort in warm memories as well.

Moving memories from France for our friend Marsha, who will always remain in our hearts.

We send you lots of love and share your pain from France. We will always remember Marsha's smile and kindness. Rest in peace Marsha.

Thank you, Steve, for letting us know about Marsha. I have no doubt in my mind that she and your family were the most amazing blessing to us during our time in Chatellerault. Marsha's grace, wisdom, patience, generosity and kindness were priceless to me, especially after Alex was born. We hope you can find some comfort in knowing that you will see her again --- and knowing that her time here was valued by so many. Peace be with you. Love from Amy and Dave

Dear Wright Family, I wish to express my solidarity and support during this difficult moment. Please remember that you can count on me and my family for anything you need. Kind regards, Vicky

Thinking of and praying for all the family at this hard time. I know Marsha was well loved. I will always remember how she didn't mean to invite us to a few family dinners when we lived in Utah but let us eat anyway and be included during those times.♥■

Dear Steve and family, We were unavailable to attend Marsha's viewing/services and wanted you to know we are thinking of you. We have fond memories of you two growing up in our ward and you were always such great examples. May you find the peace and comfort you need at this time. Sending our love.

I knew Marsha while living in Wisconsin as one of the kindest and nicest people in the whole world. She was always willing to help and always with a smile. My heart goes out to Steve, the children, and grandchildren, who will all deeply miss her. I hope you find comfort in your faith and all the happy memories you have with such a wonderful woman.
