To everyone who loved,, knew and cared for Marsha, my Mom, please try and remember her before the suffering. She was so full of life, kindness and she was so fun to be around. I have to remind my self often,, the amount of pain she was in. Know one with such kindness deserves the type of suffering she battled bravely. To my kids, my pride and joy, your Nana loved you so very much and would do anything for you, she loved to spend time with you. We will continue to band together, as we have been, and get through this, together. We will ALWAYS remember her funny Marsha moments, and I hope you do too! I know there’s a lot of people struggling over this massive loss, my heart goes out to each of you. Thank you for the condolences and flowers we’ve received, It’s genuinely appreciated. Mom, I can’t stop wishing you were here,, selfishly, I know!, however my biggest wish is that you’re doing running cartwheels, camping, going to the cabin, Lake Powell, and that you’re with your Mom, your sister, your Nana, and Rudy. I hope you get to see all the wonderful things people who knew you, have to say about you, and you know how loved you are. Things will never be the same, without you, however, you’ll ALWAYS be in our heart. I’m truly blessed I feel to be loved by you. I hope you feel our love for you. Rest In Peace…. Sincerely, your admirer, and daughter. Lovingly, Kriss. ❤■
