

Martha (Betty) Rockwood Carlson

July 4, 1923 ~ September 22, 2022

Aunt Betty always brought a smile to everyone’s face when she visited Iona. My dad, her older brother, was always so happy when he got to visit his baby sister. My wife and I would like to express our sincere love and condolences to Betty’s family, our Salt Lake cousins. With love. Craig

I am so sad at the passing of my dear Aunt Betty! She was always so gracious and kind to me. In the past several years when I would tell her she was my favorite aunt she would reply,” i’m your only living aunt!“ I will miss her quick wit!

I loved learning so much about my sweet Aunt Betty during her funeral. She was always so good to me; so kind and welcoming whenever we visited her in Salt Lake. We exchanged Christmas cards each year, and she was always so thoughtful in taking the time to write a letter, keeping us informed of her many activities. I loved her feisty, spunky self. Rest in peace.
