On behalf of the Blackfoot High School Class of 1963, we send condolences and love at this time. Martha was a special classmate--a wonderful friend to all of us. We enjoyed it when she came to one of the more recent reunions. She wasn't able to attend the last one so my husband and I stopped in to see her one day to see if she was ok. We missed her. We had a wonderful visit. I will treasure that time we spent together with her and Tom. They were so welcoming to us as we just dropped in. She was a big part of making our high school days memorable. Our thoughts and prayers are with you.

I knew Martha from 1st grade through 12th. She lived across from Irving grade school, so we'd go over there after school for a snack of popcorn covered with whole cube of butter--yum. I rember she showed me the neat trundle bed in the hall she shard with her sister. I thought it was a fantastic invention. Martha was a kind giving friend. I enjoyed her at the class reunions on my patio--she hadn't lost the sparkle she was born with.

We will miss Martha so much! I remember how she happily served in so many organizations at Church and always made each person she interacted with, feel special and loved. I remember how she loved to laugh and joke. She

dealt with hard things in life with her quick sense of humor. There was always a kind word and a hug for me when I saw her. I know she will keep many on the other side on their toes, as I know she will carry on her legacy of faith, love and service on the other side. I love you Sweet Martha. Thank you for impacting my life and teaching me to be better.

I remember so many moments and beautiful exchanges with Martha and with Tom for that matter, because the two lovebirds were inseparable. But some of my favorite was I loved that she played piano and loved music like i do. She helped with our music in the ward. I loved that she was so kind and humorous at the same time! It could come out of nowhere the sarcasm and jokes! But my favorite memory will always be that she took a woman and her 3 remaining strays who were homeless in an ugly divorce and gave a place of refuge, peace, unconditional love and fun! And it didn't stop there as they became the adopted bonus grandparents to my girls who loved to return and enjoy the competitive card game nights and food or participate in daughters wedding. Our deeply grateful hearts and profound respect will endure through the ages for the sacrifice and tender gestures of love. ❤■ A true friend and example of what it means to be Christ like and help the fatherless, the poor , the needy. She did that and without one complaint, judgement or resentment. It was smiles, love and a candy drawer!! I learned life is short and change is inevitable in the journey, but Martha through her life, taught me that it's all part of the journey and you can embrace it & learn from it with class, a testimony of Heavenly Father who has a grand plan for us to trust and all while having joy ❤■ You are now our heavenly ■ Martha and we love you and miss you deeply until we meet again, "Because I knew you, I have been changed for good!"

I am deeply saddened to hear of Martha's passing. Her kindness and warmth touched everyone who knew her. From our visits and shared lunches with her granddaughter to her welcoming presence at church, she made me feel truly at home. My heartfelt prayers are with Tom and the family. Tom, What a wonderful service. It was so great to hear so much about Martha and your life. She sounds like a wonderful person and probably one of the few that could keep you on your toes. I especially loved the spirit I felt, even though I couldn't be there in person. I can't imagine the sorrow you must be feeling but I have faith that the comforter will be by your side during this difficult time. Your friend, Kent
