

Martha Jane Stringham Wankier

January 17, 1936 ~ November 27, 2023

Mark, sending you and your family prayers that you will find comfort at this time. I cannot imagine losing a parent and I'm sure losing your sweet mother has left a large void. Take care and know we are thinking of you.

- Lisa Kennington

What a great, great lady! She was the best YW leader. I still remember a special conversation I had with her in her car on the way to lake Powell. Sending love to the family. Sad for your loss but Happy she can be reunited with her sweetheart.

- Wendy Jarvis Hairel

I just finished watching your sweet mother’s funeral. It was a beautiful meeting. I’m sure each of your tributes swelled Martha’s momma heart. She was one of the first and most welcoming members of the Stringham family when John and I married. One of my favorite memories of her was coming to your home around the corner from GG’s to make apple sauce with her. My mother had passed away a couple of years before and she never canned. I expressed an interest in learning and you mom offered to teach me. It was such a fun day. We worked together for several hours talking and laughing. She was always a bright light in any family gathering. I have always loved her.

- Jan Stringham
