January 13, 1926 ~ January 14, 2023

Dear Egbert Family, We would like to express our sincere sympathy at the passing of your dear mother. She was a marvelous lady who blessed the lives of each member of our family with her wonderful faith, kindness and service. We pray you will be comforted during this tender time. We cherish our joyous memories of visiting in each others' homes. We love the great legacy and heritage your parents have left behind for all who were blessed to know them. With much love, Rich Van Orden, Diane Van Orden Moon and Debbi Van Orden Stauffer

We are sad for your loss and yet grateful that Marva is now with David. I had the chance to take her to Church in John's Ward while I was in town a few years ago. She was 94 then. The pickup I was using from my Salt Lake office was jacked up pretty high. But Marva was game. With my help she climbed up into the truck in her garage then climbed down at the church. Then we did that in reverse after the service. When I got her home she fed me till almost busting then kept trying to feed me more. Then she showed me a whole dining table full of genealogy; books and pictures. I'm glad that she was as spry as she was for as long as she was. God bless all my cousins and their families with comfort and peace at this time. It's comforting to know that you all have testimonies of what comes next. Bless you all Tom and Marlene
