

Marva Rae Goring Hatch

May 4, 1933 ~ Sept. 24, 2021

Dear Hatch family. I am so sorry to read that your wonderful mother, Marva, has passed away. I was Kendall's secretary for many years, and got to know them both well, and your dear family during those years. I was forever grateful to Marva for referring me to her oncologist, Dr. Riley, who we most dearly loved. I know Kendall has been patiently waiting for her to join him once again. May God Bless your family during this difficult time. Patty Gray

I'm so saddened to read of Marva's passing. I guess Kendall needed her. Your parents were two of our favorite friends of my parents. They were always open and friendly. Marva did have the most beautiful yard. Bless each of you and always keep her in your heart. Love, Ruth Reese and Greg Peters

Dear Family of Marva Hatch: I had the pleasure of knowing "Aunt" Marva for over 30 years and can honestly say, I never heard an unkind word or comment from her. She was not only kind, but made me and as well as others feel like we were the most important person in her life when in her presence. I will never forget her beautiful smile and the sound of her laughter. Even thinking about her now makes me smile. She was truly an angel on earth. May God comfort you at this time of loss.
