

Mary Alice Cottam Carter

October 15, 1946 ~ January 10, 2026

Mary was one of our family's best friends for many years. Despite her various medical challenges, she would always greet us at church with a hug and "I love you". She was kind, thoughtful, and brave. I'm glad to have known her.

Mary (Sister Carter) will be greatly missed. I had the great opportunity to learn and serve with her as she coordinated the music activities in the ward. Fond memories. Love you Mary (and family). You are in our thoughts and prayers.
