Bob and Spencer, I was so sorry to hear about Sandy’s passing. I absolutely loved working with her at Riverside! She was such a sweet lady and had such a positive presence! Sending love and hugs to both of you at this difficult time!

Bob, I hope you and your family are doing the best you can at such a heart breaking time. Although I never had the pleasure of meeting your wife, that brief phone call I got from her when she was trying to get in touch with you at work because the door handle broke on the front door and she needed you to come home to fix it lol. She was so sweet and had such a pleasant, welcoming and friendly voice truly showed how kind and loving of a person I'm sure she was. Please let me know if there is anything you need. I send my love, Tili.

I've known Sandy for almost 50 years. She was the definition of cheerfulness. As I think of her I can hear her voice in my mind; a voice always filled with enthusiasm for life. She will be missed.
