

Mary Anna Garrett Rotz

July 29, 1925 ~ March 23, 2022

I love Sister Rotz. In our ward I was able to work with her often in music. She was such an example of service, and I will miss seeing her at church. Until we meet again....

Chris: Seeing your mother's obit in the Salt Lake papers today brought back a lot of old memories. It's been fifty years or so since we served as counselors together in the University Ward. I'm still in the Boston area although I moved my membership to the Belmont Ward while I was still Bishop of the University Ward back in the mid-1980s. There are still a small number of people here you and Elaine would remember. I wish you both comfort and happy memories as you honor your mother. Tony Kimball Belmont, MA

We will miss beautiful Maryanna. She was such a wonderful example to all of us in every way. She was willing to serve and share her many talents. She always had a warm smile, a listening ear, and kind advice. Our son Michael served as the Rotz's home teacher (along with Bishop David Finch) throughout his teenage years, and he may have not made a difference in their life, but they certainly made a difference in his! Thank you Stan and Maryanna for all you have done for us and for our ward. We are glad you are together again. Love, David and Lorene Fullmer

Comfort to the Rotz family at this sad time. Prayers for this wonderful family.
