

Mary Anne Glade Parker

November 24, 1951 ~ December 28, 2022

I have many precious memories of Mary Anne from when she was my roommate at BYU. She was an elegant beauty with long dark hair, a graceful walk, and a gentle, comforting voice. She was a young woman with many talents. I still make the orange rolls she taught me how to make. She was a great cook, and I learned a lot from her about many things in life. She could help anyone with math, no matter how advanced they were. I remember the beautiful purple afghan she had crocheted and placed at the end of her bed. She decorated beautiful cakes. She also had a fun sense of humor, and we often laughed together. We also enjoyed many long talks together, and I will never forget her beautiful smile and lovely eyes. I loved going to her family's museum in Bountiful, and she was very knowledgeable about church history. She was a scholar in general. I am sure she will be deeply missed, and I will never forget her.

The family of uncle James & aunt Isabel would like to send our deepest, deepest sympathy to John and his family in the passing of Mary Ann. She was always soo kind, friendly and full of giggles. We are sad but we find comfort knowing she is not suffering any more. Through our gospel we know that we will reunite with our loved ones in the hereafter. Our prayers and love are with all of you. Love Jim, Isabel & family.
