OMG!! I am devastated. I just found out of her passing. I knew Mary online, through the years, when she was a wrench for Doomcock on Friday Night Frolics. A gentle soul, kind and sweet. I am praying for strength for her family in this terrible time. I know she has found eternal rest with the Lord, and I too will keep her in my heart, always.

I spent many happy Friday nights chatting with Mary aka 'Ginger Menace' on a YouTube livestream. I will always remember talking about music with her and I will miss her vivid presence and warm spirit. My sympathy and love go out to her family and friends.
