I have loved Mary all my life! My cousin, my friend, and someone who always made me feel loved and admired. Thank you, Mary, for your kindness, your support, and your wonderful sense of humor. You are an angel among women. Love you forever!

Mary was such a sweet and remarkable woman and will be deeply missed. She and her dear husband always welcomed me into their home. I was one of the missionaries blessed to serve under them in the London England Mission. Mary went the extra mile to show compassion and give of her time. She taught me about joy and how to look at the good in life. I will remember her sweet sense of humor. I have no doubt that a happy reunion is taking place on the other side of the veil. I wish to send my deepest sympathies to the family that she loved so much.

To: Dennis, Jay and all members of the Crandall and Hales Family, I want to express my sincere sympathy on the passing of Mary Crandall Hales. I have wonderful memories of the Hales and Crandall Families especially in the

time they lived in New York. I was a new convert to the Church and a teacher. Virginia and I became good friends. 'We travelled to Boston to sightsee and stayed with Mary, Elder Hales and their sons. I remember watching General conference with the family as Mary taught me to knit mittens. The last time that I saw Mary in person was at the dedication of the Manhattan Temple. You are all in my thoughts and prayers. Love, Marion

Thank you for sharing your angel mother with us, even as she loyally served alongside Elder Hales. May the God of Heaven continue to bless and keep you.
