Mary Elizabeth Kasteler Zackrison

January 29, 1929 ~ September 10, 2022

We are most grateful to have been neighbors to our dear friend Mary. For many years she has blessed us with cheerful, delightful friendship. From the day we became neighbors, Mary and Jack watched over us and cared for our home when we were away. After Jack's passing, Mary continued to bless our lives with her generous, constant and always loving friendship. We are so grateful for her beautiful smile, her happy and positive nature. We express our love and gratitude to Mary and to her family. Kent and Connie Watson

Mary was a bright light to all her knew her. Formerly our neighbor, with her family, and we missed her after she moved away. But still saw her occasionally, and a few family members remained friends, so we enjoyed a continuation of her light in many ways. A happy reunion with Jack in the great beyond.
