---

Thinking of my beautiful neighbor. I am sad for the difficult disease she had to deal with.. My heart aches for her. She is a lovely mother, wife and friend. Wishing her family peace that she so deserves.. To her children and family. You are the lucky ones to have had such a wonderful mother. Your lives have truly been blessed. So glad that we had the opportunity of knowing all of you. We feel blessed. Sending sincere sympathy and our love to all of you. Sincerely, Darlene Whitney Morgan
