Your husband was my Physical Education teacher At Hillside Junior H.S. In 1958 or 1959..I was in 8th Grade..I remember him we'll....He had that aura and dignity about him. You married the right GUY Sincerely, Kenneth Pace Blessings to your fine family

- Kenneth Pace

We loved Elder and Sister Milne when they served as CES missionaries here in Little Rock, Ar. Their love and encouragement helped so many young people. Our (now) son-in-law was making tentative steps back to church activity when the Milnes took him under their wing & helped him see the joy that comes through living the gospel. How grateful we are for their service We love them!!
