Mary Jo was like a second mother to me. She never had an unkind comment leave her lips and was an example of what a kind, patient and loving parent should be. I find peace knowing she is with our Heavenly Father and pray for peace for her family. I'm so sorry for your loss.

We enjoyed being neighbors with Bill and Mary Jo for many years--first in Murray, then in Sandy. It was a sad day for us when they moved to Riverton. Favorite memories: traveling together to Los Angeles to see "Phantom of the Opera"; and camping and boating at Flaming Gorge. Mary Jo served as Relief Society president while they lived in Sandy. I enjoyed sharing time with her at Book Club and water aerobics until their move to Riverton. Good times. She was a great friend and I miss her. Condolences to the family.

It is a huge loss to say goodbye to your mom. I know she loves you and will be "around." I didn't get the chance to meet her in this life and I hope to in the next. Blessings to the Bohmholdt family!

Sending thoughts and prayers to each of you. Mary Jo was my favorite Sunday School teacher. She came prepared, took it seriously and treated us kindly but didn't put up with much either. I learned a lot that year--I actually began to look forward to Sunday School. She was Relief Society president when I came home from my mission and particularly made one direct comment one day that was just what I needed--and has stayed with me. We were then co-workers at Prowswood. She was such a hard worker, she was encouraging to me, and gave me a couple of pieces of advice that still stick with me--probably because she didn't give advice too often--so you listened. She was a wise lady. I love Mary Jo. I love her testimony & example.

we loved the entire family and have such great memories of Becky and Susan being friends with Tori and Jennifer friends with Cami. Mary Jo and Bill were great members of the church with strong testimonies of the gospel. Cherish the memories and be thankful you had such a wonderful Mom. You guys are all the best.

Mary Jo, I will miss you greatly. Ill be right behind you, but not too soon, I hope! You were a breath of fresh air and frivolity for me. I needed that in my life. I'll just bet you and my mom are totally causing chaos in heaven right now! She died in January last year. I'm sure your reunion with her will be a party and a half... I love you! Tamara

My condolences to the family and friends of Mary Jo Blevins. She was a first cousin, a childhood friend. Although we lost touch over the years her spirit has always been in the back of my mind. In her youth she was lively and full of smiles. I regret her passing and hope she had a good life.
