

Mary Jo Morrison

April 3, 1939 ~ March 20, 2024

Yes, yes, yes! This is true about MJM: "easily connected with friends and strangers, immediately extending empathy and unconditional love with a flare of humor." As a bright spirit, Mary Jo turned ordinary (a pile of fall leaves) into magical (carpet for a fairy's house in the woods). She selflessly took our daughter, Roma Jane Maloney, into her care and added adventures - musicals! high tea at Grand America Hotel! touring the local candy factory! When the twins were born she glowed with enthusiasm. My heart stopped a beat when I saw MJM's obituary. How dreary the world will be without Mary Jo to light the way toward happiness. She was a model for living generously and joyfully. She is dancing with the angels now. Bless you all during this sad season. Love from the Maloney family - Tom, Maria & Roma Jane
