I was blessed to have you in my life over the past years. I can not thank you enough for all the selfless support and dedication you gave me in my personal and work life. Rest in peace knowing that you have made such a huge impact and imprint across my life. You will NEVER be forgotten! Tami (Tamari)

My love and sympathy to the Smith family. We loved Mary, and that love will last forever. We worked along with Mary at the Tanner Company…my spouse, Gwen, really had a special bond with Mary ….Gwen passed 13 years ago and I am sure she was waiting for her dear friend, Mary, to arrive and greet her in Heaven. So happy and thankful that in this lifetime, our Heavenly Father joined us together from across the country. ❤■

To my Auntie, and my sweet Cousins.. All of My Thoughts and Prayers are with you during this very difficult time. My Sweet, Beautiful Cousin Mary will be truly Missed… she was such a strong, positive light in my life that is now dimmed with her loss. Jerry, Ian and Conner, thank you for all that you were to Mary…. Words cannot express the appreciation of all that you did to show love, support and take care of her. I know that she is in a beautiful place right now with our loved ones. She will be your Beautiful Angel watching over you. I love you all so very much, please let me know if I can do anything ….. To my family, those closest to my sweet cousin Mary, I send my deepest heartfelt condolences to you all. I have been recalling wonderful, happy memories of Mary especially those when we were just kids, hunting Easter eggs at Grandpa and Grandma's house in Union. I have also felt a great loss in my heart for Mary, she was always kind to people and seemed to enjoy reaching out to people. We had been catching up occasionally on Facebook but it was fantastic to see her at the family reunion most recently. May you find peace and comfort knowing she is with her dad, and her grandparents. ■ This is the thought that helps me and hopefully gives you some peace as well. Love

you all so much even if we don’t see each other often. Lots of love ❤■ Tracy

Mary was one of the kindest most positive people I have ever known. She always inquired about me, and my kids. She always had time and made you feel special. She gave me some of the most beautiful dresses I own. Forever grateful to her and her family. Thinking of the Smith family ♥■

Mary was and is an angel. Her family meant the world to her. When she spoke of her husband Jerry and the boys, her face would light up the room. Mary will truly be missed. She was so loved. I was blessed to have worked with her and will always cherish our friendship. Karen Louder
