Brent, and family, I would like to say how sorry I am for your loss. Mary was one of my favorite people. I always looked forward to our weekly visits, as I did her hair! She made sure our visits were personal and shared stories of all of you as I did with her . She was so real, kind, respectful, a pleasure to know. She introduced me to Emily Mathew's Perkins! A very important person in my life. Mary knew how to touch people in the most loving way. She was amazing person.♥■

Brent, I was super sad reading the obituary of your wife and partner. I really didn't know your wife very well other than the very nice things that I heard from my mother and brother Baylor me what an amazing, athlete, partner she was. I was super impressed with her background, her talents what she did in high school and the combination of the Larson clan and the Nebeker clan I am sure created some great children, and she helped create some probably unbelievable memories for your family. it's always sad when someone of this caliber has to move to the other side and I'm sorry I didn't get to know her, but I always have a soft spot in my heart for your family and how kind your

parents were to my mom when my dad, when I was five years old passed away. I know your dad wrote off a lot of dental bills, but he also provided a extremely memorable experience whenever I went to the dental office! Godspeed to you and your family and again sorry to hear about your wife and life partner.

Mary is gone much too soon, but the Lord has a plan. She brightened every room and her strong light of life will still be directing her children and grandchildren. I'm so glad to have known her.

What a wonderful life Mary had. Reading her obituary brought back many 1950-60 memories. I remember that little bundle of speed on the playgrounds of Ensign Elementary School, and Northcrest swimming. She was always a bundle of energy on 11 th avenue and in our ward. Strong, bright and opinionated, she grew into a great mini me of her beautiful and I de-pendent mother. Brent and Mary set a high standard of love and service for their family, may they be comforted in the memories of such a great wife, mother and Mamo.

Larson family, I’m so saddened to hear about Mary’’s passing! As one of her young women, I can say she truly did have an enormous impact on me. She was able to connect with us in a genuine and loving way, and taught us how to treat people simply by being a wonderful example! One of my favorite memories of her is when I was a junior or senior in high school and the slang “sketchy” was widely used. Mary heard us saying it once and asked what it meant. From then on she tried to incorporate that word into our conversations; however, she kept saying “sweaty” instead of “sketchy”. Addressing her confusion we teased her and started mixing the two words together by saying “sqweatchy”. She always laughed and was such a good sport about it, and made us all feel loved! She will be truly missed! My thoughts and prayers are with you all!

I was so sorry to hear of Mary’s passing. She had an infectious smile and was our party person in Madrigals and for our East High class of 73. I know she will be missed.

Brent, I’m so sorry to hear about the passing of your good wife. I have often found solace in the words of Aeschylus, father of Greek tragedy: “Even in our sleep, pain which cannot forget falls drop by drop upon the heart until, in our own despair, against our will, comes wisdom through the awful grace of God.” May the grace of God comfort you and yours.

I met Mary at the Sun Valley Music Camp when I was sixteen. She was so much fun!! She was a year behind me at East High. I always got a kick out of her. So funny! I’m very sad to learn of her passing, but moved by her beautiful, rich, life. My deepest condolences.

We have such fond memories of the great service and love Mary aLeary’s extended to us and our children. Everything she ever touched was filled with excellence and beauty! She is a legend in the Yalecrest I Ward and Neighborhood! It was such an honor to attend her beautiful funeral, and to witness the many lives she shaped, blessed and enriched over the years. We loved hearing the inspirational talks and music that captured her passion for life, darling personality, and Christlike ways. Your precious Mary will always hold a very special place in our heart.! Love, Cindy (Norton) Neider, Logan Keller and Lauren, Keller Smith
