He has got me through so many hard times and we both have ties to Utah and Idaho. It has hit hard this weekend and I am so sorry those closer then I for what you are going through! May the force be with him...

Thank you for the hilarious memories, DM. You were without doubt, the life and soul of the old SW message board days. Even though you've transformed into the Force, I still dont feel that my plums are safe from those hooves!! MTFBWY Keep it real! ❤■

I never met Moose. But back in the SWMB Cantina days, he always brought so much joy and laughter into my life. Into all our our lives. I wish I had tried to reconnect him and the community. He has been and will remain sorely sorely missed. Thank you DarthMoose!

- Anné (MiraxHorn)

I was so sorry to hear the news today. So sad …… it is so out of order to loose a child. You are in my prayers. Sending love ■

Over the years Moose and I messaged many times, sharing thoughts on various things, mostly on our shared love of SW and the collecting community that he was such a huge part of. I’m hoping it brings some comfort to his family knowing how well liked and respected he was by so many people across the world. We all loved him and the great

energy he shared with us. He’ll always be remembered, so sorry for your loss
