

## Mathew James Bresock

*February 15, 1991 ~ February 19, 2026*

---

We are so sorry and feel the deep loss of dear Matthew. He had a heart of gold and held no guilt or judgement of anyone! His hugs were so warm, his smile was all encompassing. We are confident that although he misses his family and his sweet Paisley, he has another purpose, known only to God and His Savior. Jesus Christ. We trust in that and have hope that we will meet him again.

- Helena Lemon

---

My deepest and heartfelt wishes go out to Alicia and her family. I'm very sorry for your loss. I didn't know Matthew very long, but the little I did know, I knew he was a good person with a kind and giving soul. It's unfortunate that he is gone but at least now he can be at peace which is what he deserves! ■

- Keliki

Am saddened to the core!!!!!! What a loss to mankind, no doubt about it !!!!!!!!!!!!!!! Matthew was truly a giant among Mankind and truly a 'MAN TO MATCH OUR WASATCH MOUNTAINS!!!!!!!!!!!!!!!!!!!!!! My dear friend for the past

eighteen short inspiring blessed years!!!!!!!!!!!!!! Truly a man of love and caring to me and other close dear friends. The endless hours we spent speaking about our individual life issues and our life struggles left us at times in tears. I am feeling very very much abandoned not having Matthew to give solace too and he to myself!!!!!!!!!! Matthew's hugs each time we departed our sweet visits and awesome and inspiring outings with Rick , Joey, Steve, Marcus, Skyler and Conner are memories I am blessed to comfort myself and so many many others. To his sweet daughter and loving family he spoke of with sweet tenderness so many many times in my dear association with Matthew may the lords sweet and abiding comfort you all. Dear friend Matthew I await that most blissfull time we can embrace one another beyond the sunset on the morning of that blissfull morning of the first resurrection. God be with you Matthew and joyful rest from the issues you endured In this earthly challenging short life!!!!!!!!!!■■■■♥■■♥■■♥■■
