Hi Amber, We met you at IMC and I see that you found our daughter, Abby's obituary and commented on it. After we met I was at the hospital a day or two later and wanted to see if I could catch you to get your phone number and your husband's room was empty. I figured he had passed away. I am so sorry. Please reach out to me if you are ever ready to. Maybe we can support each other through this. 801-652-3992.

Amber & Ben, I am so sorry you have to go through this experience and am deeply saddened for both of you. I didn’t know Matt well, but I knew enough that he was a wonderful uncle to Brooklyn and loved her very much. Life definitely isn’t fair and my condolences go out to each of you.
