

Matthew "Finn" Nowell

March 10, 2007 ~ June 29, 2023

Finn was always someone I could count on in class. He was on time, always worked hard, and had a cheerful attitude. He was an inspiration in the way he handled life's challenges. I'll never forget how much he loved life and loved to learn.

I'm so sorry for your loss and your super hero. I have wonderful memories of taking care of Finn and reading stories to him in my arms in the middle of the night in the NICU. I am so sorry to hear the passing of Finn. It has been awhile since we have seen each other but know that your family are in my thoughts and I am sending you all lots of love during this difficult time. It is not easy to have a child go before the parent and no parent should have to go through this ever. Finn is now your most precious gaurdian angel you will have watching over you all. Love, Alysha and kids

My heart breaks for you and Melissa. You are amazing people. We know that Finn is flying high right now. But it doesn’t change the fact that those he left behind miss him terribly. I love you both. Please know that Rhonna and I mourn with you.
