

Matthew Gregory Wittwer

May 22, 1974 ~ June 20, 2023

I had not known about Matt's passing! I thoroughly enjoyed home teaching/ministering with him -- he was one of few of us who really knew how to minister to people. I will miss the opportunity to talk to him again...

Matt was someone I really respected in my time serving with him in the ward. Matt and Staci were very kind to us with sharing their love of the Jazz. I loved to hear Matt bear his testimony. I always listened when he spoke. He was a great leader. After we moved from the ward I ran into him at the Baltimore airport, of all places. I enjoyed seeing him there and talking to him. Staci we grieve with you at this time. We loved you both!

Staci & family - my love, thoughts and prayers are with you all as you navigate thru this difficult time. I know that he was loved by many at WSLM and will not be forgotten. Matt was a positive role model to many and his sense of humor was often needed and appreciated. Sending you the ability to grieve at your own pace and the strength to feel the support surrounding you. With much love and deepest condolences, Monica (Hospitality Business Line Colleague)

Stacy, I am so sorry to see this text. I remember coming to your wedding. You were a strong woman in our Singles Ward. My sweet husband, Fred, passed away 8 months ago. It is hard to lose your best friend and sole mate. Grieving is different for each person, but it isn't easy for anyone. I pray you will be able to navigate your journey peacefully with His help. Sending love and prayers your way.■

Matt was the most incredible person I ever met. I had the pleasure to work with him at Legacy House of Southern Hills in Las Vegas. He always had an infectious smile that no one could ever deny. He was a kind soul and always took the time to check in with me when he was at Legacy. He had a very unique attitude and he his laugh was contagious. He always had a lending ear to listen and a great shoulder to lean on. He will be missed very much. I am so sorry for your loss. I send my sincere condolences. Love always Dee Foster.

Matt was my regional when I started working at Legacy House of Southern Hills. He was always willing to listen and to provide the support that he was able to. He had a hand in me moving to Utah to work at Legacy House of South Jordan and I will forever be grateful to him for all of his help guidance and concern. He will be missed. My prayers go out to his family.

I had the pleasure of working for Matt for the last year and a half. He was always full of energy and ideas, while professionally taking care of whatever our community needed. I was always glad to see him when he came to our community. I know his wife and family meant the world to him. He will be greatly missed.

From the moment I met Matt on his first visit to LVCP after I started working here, I knew I had found my "place". It is a rare thing to have a regional supervisor become a friend. Matt truly cared and was so invested in his work because he was called to serve others. He was so supportive and knowledgeable, and I am a better leader because of his guidance. I will miss him dearly and my heartfelt condolences to family and friends who were blessed to get to be a part of such a wonderful but all too short life! RIP MATT!

Julie you were my first friend when I moved to Provo and we became friends instantly. Then you met Greg and I met Joe and we subsequently married. We went through our first pregnancy with Carrin being born on the first of May and Matt the on the 22, just 3 weeks later. We all became good friends as new parents. And so it has gone over the years. Even when we lost touch and reacquainted it was like we'd never been apart. We love you guys oh, so much and it has never diminished over the years. Our full hearted love at this unintentional time of grief remains with you and your family. Our continual prayers ■♥■ are with you. Where would we be without our beloved Savior and the plan of salvation. You all will be reunited with Matt across the Vale. Joe & Cathy Olsen

Staci, Our thoughts and prayers are with you during this challenging time. Matt once told me, "Being there for people is what life's all about." He was a man of integrity that truly loved and cared for others. His memory will live on forever as he hired and trained some of the best leaders at his company. So many families owe their livelihood to the fact that Matt took the time to teach them how to be a leader. He was the best of the best. We love you Staci. We are so sorry for your loss. Matt served as a counselor in the bishopric with Nels in the Belvedere Ward in the early 2000's. We were both so impressed with the wisdom Matt had beyond his years and his kind and patient service. We love him and send our love to his family and his sweet wife.

I was so saddened to hear that Matt had passed away. He was an inspiration to me as I grew up in the Butler 4th Ward. I remember how he helped me earn merit badges, he helped me learn about and honor my Aaronic priesthood. He inspired me to work hard and enjoy the Boy Scout program. He was always a joy to be around and talk to. I looked up to him in many ways. Thank you Matt for being such an amazing example to me and helping me

traverse those difficult and awkward years as a young man and being that person who always helped others. My most sincere condolences to your wife and your family.

Such a divine, heartfelt service. So honored and thankful to be able to participate remotely when last minute obstacles came my way. I didn't know Matt that well but after today he feels like family and I will remember and treasure each loving story I heard today. It's rare to see so many people being authentic and articulate and I am grateful to have been able to witness it. May the entire company of Heaven fill the void that's been left by his passing.

Matt was a very special man. I will miss him very much. I have so many great memories. I stayed many times at Aunt Julie and Uncle Greg's house when Matt, Monica, Megan, Mark and I were growing up. Matt would always come up with the coolest games. One of my favorite memories I have of Matt was when Matt, Monica, and me walked to the school to play. On the way home, Matt pushed me into the gutter that had some bad smelling slime in it. We always called it worm poop. I got it all over my favorite Mickey Mouse sandals. I was so upset. When we got back to the house I made Matt wash my sandals. Before that though, I made him smell my sandals. Matt was a good sport. We laughed about that experience many many times after. Another favorite memory was when we went trick or treating. Matt was kind enough to hold on to me. He said he knew I couldn't see and he didn't want me to get hurt. He got teased by some of his friends in the neighborhood for holding a girl's hand. He just laughed and told them I was his cousin. Matt, I love you. I'll miss you. Aunt Julie, Uncle Greg, Staci, Monica, Megan, Mark I love you all very much. I'm so very sorry about your loss.

Greg and Julie So sorry to hear about your son. I sure you two have had a good influence on countless young people over your lifetimes, and I think Matthew was very lucky to have grown up in your home.

- Paul Gregg

Greg. I'm so sorry to hear about your son's passing. It's especially hard when those in our family go before us. I'm so grateful for the gospel and the hope it gives us of being together as family, againI lost my sister in a horrible accident, the only consolation was our Heavenly Father's plan of eternal happiness.
